

## Pond/Tank Desired Development Survey Feedback

Note: Survey input was requested from all 44 lot owners. 21 (48%) lot owners provided survey responses from December 22, 2008, through January 7th, 2009. Survey responses, in conjunction with estimated Enhancement cost and Board/Pond-Tank Committee input will be utilized to develop a Pond Beautification plan.

**Legend:**

- Complete
- No Longer Under Consideration
- Item for Future (Post-2009) Consideration

**Notes:**

Board ruled out fire pit due to fire risk associated with placement of item in Commons area

Board ruled out heightening overflow due to recommendation of Lake Management Professionals indicating it would serve no purposes so long as our leak problem continued to exist.
